LET US CREATE AN AMAZING EXPERIENCE PERSONALISED TO YOUR WISHES

Casa Karma Boutique Resort is a unique experience in Puerto Vallarta. We are a small, intimate luxury hotel yet we are never stuffy. Our staffing ratio is 1 employee for every 2 guests yet we don't overwhelm you with our presence. Ever present, never overbearing. We are here to serve you and your needs, desires and wishes. We strive to find the perfect solution for whatever experience you seek from laid back and relaxed to heart pounding adventure and everything in between.

Whether you are coming to relax alone, as a couple, with friends or with family Casa Karma Boutique Resort is the perfect hotel for you. We are the ideal location for your wedding, honeymoon, to renew your vows, celebrate a birthday or anniversary. Unlike larger hotels, our smaller size allows us to get to know you and how you would like to be served. *We adapt to you!*

FOOD & BEVERAGE

The chefs at Casa Karma are constantly devising new and imaginative culinary creations for our guests. We pride ourselves on providing new twists to classic favorites, inspired regional dishes and entirely new gastronomies that will surprise and delight you.

WELLNESS & HEALTH

Wellness is important even when you are on vacation in Puerto Vallarta. For your mind and body, we are pleased to offer our guests complimentary Zumba and Yoga classes on our event terraces with local expert instructors Efen and Alma.

For your spirit, relax and meditate while walking our labyrinth. Let our beautiful mosaic mandalas by Anado focus positive energy into your being.

For your dietary health, our chef's create almost everything we serve in-house with all natural ingredients, no preservatives or additives. Granola, breads, yogurt, juices, snacks, naturally flavoured waters, panella cheese, ice cream, aged beef and more are made right here in the Casa Karma kitchen.

UNPLUG OR STAY CONNECTED

We think a vacation should be a vacation but we realise in today's ever connected world, you may have to mix a little business with your pleasure. Casa Karma has complimentary WiFi throughout the property with strong signal strength and loads of bandwidth to keep you connected to work or those back home.
